

Create Your Custom Dining Room With Our Exclusive Cherry Grove

Designed by Winchendon Furniture. Crafted locally from solid cherry.

The Cherry Grove Collection is manufactured exclusively for Winchendon Furniture by local craftsmen to create a unique and sophisticated look in your home. Cherry Grove allows our customers to enjoy a premium product at a very reasonable price and features three style options: *The Cosmopolitan Collection*, *The Shaker Collection* and *The Traditional Collection*. Some customers choose to incorporate pieces from more than one collection to create a truly custom look.

With almost endless options to create the dining room space of your dreams, the best way to get started is a visit to one of our showrooms for a personal consultation. Bring your room dimensions and we'll help guide you to the room you imagine.
